Myers Auto Camp
Aug. 27, 1935
Dear Mother,
We're having a grand
time, + have found a nice
auto camp here. In fact
we like it so well, we're
spending a second night.
It's on the Eel River +
the swimming is keen.
We found a nice hole
not far from the camp
today + swam to our
heart's content.
Yesterday we came by
Byrnolds Redwoods + stopped
in to see Doris + Arlos +
were they surprised! We
may stop there on the
way back if we go that
way + have time.
We don't know just
yet when we'll be home so
don't expect us until you
see us coming.
Love, Earl + Elora

Elora was going to leave room for me to say hello, but she must
not have time.

what can I do, and I've been getting supplies for while she wrote.
